Monthly Fixed Service Charge – Industrial Water			
	1/1/2025	1/1/2026	1/1/2027
Per ERU above the meter factor for the applicable meter size <sup>(1)</sup>	\$8.05	\$8.80	\$9.50

<sup>(1)</sup> Industrial accounts are subject to a monthly Water Service Charge based on meter size and a Monthly Industrial Water Service Charge. The Industrial Water Service Charge is calculated as the number of ERUs certified minus the meter factor (covered in the base water service charge), multiplied by the monthly water service charge for one (1) ERU.
