

## SPONSORSHIP LEVELS

With your support, we can continue to create a safe, spooky and environmentally educational celebration for families within our community. From creepy treats to spooky crafts and transportation, your sponsorship helps us continue to make this event a hauntingly good time!

### MONSTER MOVERS (\$700–\$1,500)

You're the VIP of the day! You'll make sure our guests arrive at our event from our offsite parking location. Due to our growing attendance and limited parking at our venue, the shuttle service ensures more community members are able to join and enjoy the day with their families.

### PUMPKIN PARTNERS (\$450–\$699)

As a Creepy Contributor, your donation helps ensure everyone leaves with treats, snacks and fun giveaways. You can provide funding or an in-kind donation of giveaways, treats, or small prizes- every bit helps make the day spooktacular!

### HAUNTED HELPERS (\$150–\$450)

This is perfect for individuals or small businesses that want to pitch in and be part of an epic event! Your contribution will help with general event costs, such as supplies, decorations and activities.

Every sponsor will have their organization's logo featured on our event webpage, social media and at the event.

## SPONSORSHIP COMMITMENT

My organization will support the 2025 Trick or Treatment event with a sponsorship of \$ .....

Name: .....

Organization: .....

Address: .....

City, State, Zip: .....
