

PRINCE WILLIAM WATER
Your Water • Your Environment • Our Mission

Are you interested in doing business with Prince William Water?

We are hosting a Capital Improvement Program Lunch & Learn for construction contractors, subcontractors, and consultants to connect with Prince William Water regarding our 5-year Capital Improvement Program.

This event will take place immediately following the Supplier Diversity Expo, which runs from 9 a.m. to noon on May 19.

We encourage all those attending the Lunch & Learn to take advantage of the Expo, explore vendor booths for valuable networking opportunities with local business vendors and attend the lunch event.

Lunch will be provided!
